

Shortening of the limitation period in the case of the purchase of consumer goods

The purchases of consumer goods concluded via the Trakehner online auction for foals (12th to 18th of September 2022) are subject to a legally permissible shortening of the limitation period, as already described in the conditions of sale. Since 01.01.2022, this requires a separate notification to consumers in accordance with § 476 (2) sentence 2 no. 1 BGB.

The platform operator fulfils this obligation to provide information with this declaration. It expressly informs consumers that the limitation period for a consumer goods purchase is shortened to one year, as is already stated in the enclosed conditions of sale. The shortening is additionally stated in each purchase contract in accordance with the requirements of § 476 para. 2 sentence 2 no. 2 BGB
